- By using IPython , random modules and some other methods of Python it was designed.
- Key Skills : Python

INTERNSHIPS

Intern

Henotic Technology

07/2022 - 09/2022

Hyderabad

Done Internship on AI & ML

Intern

Innovidu Tech in association with IIT Guwahati

05/2021 - 07/2021

Bangalore

Done Internship on ML with Python

SKILLS

C++

Python

DSA

HTML and CSS

MySQL

ACHIEVEMENTS

Achieved 5 star rating in Problem Solving (HackerRank).

Username : ganeshkadipi67

Received 'Best Intern Award' from Henotic Technology.

for the best performance in internship.

Earned Problem Solver - Gold Badge (CodeChef).

Username : ganeshkadipi67

Received 'Prathibha Award' from Government of AP.

For Best Performance in SSC.

CERTIFICATES

Microsoft Technology Associate Certificate

for completing Introduction to Programming using Python.

Udemy Web Development Bootcamp Certificate

for completing Web Development course.

Cisco Networking Academy Certificate

for completing Program Essentials in Python.

Innovidu in association with Threat Prism Certificate

for completing Internship program in Machine Learning with Python.

IBM in association with edX Certificate

for completing Python Basics for Data Science.

HackerRank Problem Solving Certificate

for clearing Problem Solving test.
